

# Policy

## Percetakan Tenaga Environment, Health and Safety Policy

**PERCETAKAN TENAGA** as printing services and manufacturing of printed packaging products provider is committed to implement Quality & Environmental Integration Management System and to fulfil all the applicable product, customer, legal & other requirements with the aim to ensure satisfaction of interested parties. by creating a corporate culture for the overall well being of the employees and the community.

**In order** to achieve the policy, we are committed to the following.

**Establish** management systems for environment, health and safety based on recognized standards, and set company wide goals for continual improvement.

**Integrate** environment, health and safety into our business plans and decisions including the production, distribution and support of our products and services.

**Reduce** environmental impact and conserve natural resources by minimizing waste and emissions, reusing and recycling material, and responsibly managing energy use.

**Motivate** and prepare all employees to take personal accountability for protecting the environmental and creating a safe and healthy workplace.

**Be a leader** in deploying and promoting innovative, cost effective environmental, healthier and safer alternatives and procedures both within and outside the company.

**To set** objectives and review periodically.

**Comply** with customer required Prohibited Substances Control.

We will regularly review and improve this policy and communicate it to all person who work under Percetakan Tenaga.
